

## BILINGUAL STAFF PHYSICIAN OPENING Mandarin / Part-Time

AccessHealth is looking for a part-time Family Practice Physician who speaks Mandarin, for our new outpatient clinic located in Missouri City, Texas. This position will be serving clients at Fort Bend Community Church using AccessHealth's Mobile Clinic Monday through Friday.

The Family Practice Physician will be employed by AccessHealth to provide comprehensive medical services on a continuing basis for our patients in an outpatient setting. In this role you will assure deliverance of quality clinical care in a safe, efficient, competent, and effective manner. Common responsibilities are to prepare records and reports as required in support of services rendered in accordance with established procedures. You will also complete patient care reports, attend patient care meetings, and other appropriate professional activities only to the extent that such attendance and participation is relative to his/her assigned cases and/or performance of services as determined by the Chief Medical Officer.

### **ESSENTIAL JOB DUTIES AND RESPONSIBILITIES:**

1. Examines patient to ascertain presence of disease and to establish preventive health practices.
2. Elicits and records information about patient's medical history.
3. Orders or executes various tests, analyses, and diagnostic images to provide information on patient's condition.
4. Analyzes reports and findings of tests and examination, and diagnoses condition of patient.
5. Administers or prescribes treatments and medications.
6. Promotes health by advising patients concerning diet, hygiene, and methods for prevention of diseases.
7. Determines need for modified diet and physical activities, and recommends plan.
8. Inoculates and vaccinates patients to immunize patients from communicable diseases.
9. Performs surgical procedures commensurate with surgical competency.
10. Refers patient to other medical specialists for consultant services when necessary for patient's well-being.
11. Oversees, reviews, supervises, and acts in preceptor role to family practice residents.
12. Performs other related duties incidental to the work described herein as may be assigned or delegated.

The ideal provider will have a full, unrestricted medical license by the state of Texas, at least one year of experience in area of practice, and have the ability to relate to culturally diverse patients and community. If you are compassionate, approachable, responsible and trustworthy with a strong understanding of examination methodologies and diagnostics, AccessHealth welcomes your application for this position.
